

PROCESS & PRICING

Process

First, we communicate about your project design details and answer any questions you may have. Before starting your personalization and/or custom design, we send a link directing you to our detailed forms that correspond for each item we are creating for you. Next, we send your first proof via email and make any necessary revisions. Once designs are approved, we print and get your printed items in the mail or mail directly to your guests.

REVISIONS

Unlimited rounds of revisions, 1-3 business days each revision for completed designs and 1 week each revision for custom artwork.

PURCHASE

If you are ready to get started, you can purchase the \$150 retainer deposit. We will send a custom listing link for the remaining balance once our proofs are approved, before printing.

SAMPLES

Every signed client will receive a complimentary Non-Specific-Design Paper and Envelope sample, complete with all invitation layout and size options as well as a comprehensive option and pricing guide.
